

Matrixyl 3000® Cream

Matrixes 3000® is a **proprietary blend of polypeptides** used to rejuvenate the production of skin cells. Skin cells rejuvenate less as we age, and Matrixes 3000® helps aging skin with a more youthful appearance.

Product Benefits ::

- Utilizes a patented polypeptide
- Proven to reduce wrinkle depth and volume while making dermal structural improvements.
- Light viscosity that moisturizes skin

Suggested Use Directions ::

After face has been cleansed, apply 1-2 pumps of Matrixyl 3000® Cream to face both morning and night. Apply sunscreen afterward if used in the morning.

Matrixyl 3000® Cream

Technical Data Sheet

Product Description ::

McLabs Matrixyl 3000® Cream utilizes a patented polypeptide clinically proven to reduce wrinkle depth and volume while making dermal structural improvements.

Key Ingredients & Benefits ::

- **Aloe Juice** | Skin soother and moisturizer that calms and hydrates skin. Acts as a delivery device for other active ingredients.
- **Matrixyl 3000®** | Helps bring back necessary moisture to depleted skin cells to improve glow and vibrancy. Helps to stimulate the growth of new collagen, refines lines and provides plumper, firmer and younger-looking skin.
- **Shea Butter** | Skin conditioner that softens skin with anti-inflammatory and healing properties. Promotes a healthy glow.
- **Jojoba Oil** | Has anti-inflammatory properties which help to tame chaffing and chapping, reduce redness caused by drying, ease the effects of eczema and rosacea and keep skin calm and comfortable. The Vitamin E and B-complex vitamins in the Jojoba Oil aid in skin repair and damage control. For all skin types, especially damaged.
- **Hyaluronic Acid** | An ingredient that helps the skin retain water, plumps fine lines, smooths wrinkles and helps skin look radiant and youthful-looking. For all skin types.
- **Sodium Ascorbyl Phosphate** | Antioxidant that protects the skin from external aggressors and protects skin from elements that cause spots, wrinkles and sagging.
- **Vitamin E** | Considered an anti-inflammatory agent in the skin that can reduce UV-induced skin swelling, skin thickness and signs of inflammation. Generates great skin feel. Good for most skin types, especially sensitive, mature and dry.
- **Green Tea Extract** | Acts as an antioxidant that can help with acne and help skin look younger.

Suggested Precautions ::

- For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Do not use on broken skin. For adult use only. Keep out of reach of children. If swallowed, get medical help right away. Stop use and ask a doctor if rash or irritation develops and persists. Use sunscreen and avoid long term exposure to sun. Store in a cool dry place, away from excessive heat and cold.
