

Vitamin C Serum

Vitamin C Serum with **5% sodium ascorbyl phosphate** reduces age spots and skin discoloration while increasing skin elasticity to reduce wrinkling.

Product Benefits ::

- McLabs Cream Base is a thick—but never greasy or heavy—premium unscented moisturizing cream
- Formulated for great skin feel and effective delivery of key ingredients
- Both standard and premium additives can be mixed into McLabs Crème Base for easy customization
- Contains no phthalates, phenoxyethanol, silicone, PEG or other commonly found additives
- Formulated and manufactured responsibly in Redmond, Oregon

Suggested Use Directions ::

After face has been cleansed apply 2-3 drops of Vitamin C Serum to face in the morning and allow product to dry. Follow with Matrixyl 3000® Creme. Apply sunscreen afterward.

Vitamin C Serum

Technical Data Sheet

Product Description ::

McLabs Vitamin C Serum contains powerful antioxidants that protect skin and promote healing of scars and blemishes. Also formulated with anti-inflammatories for calmer and smoother skin.

Key Ingredients & Benefits ::

- **Aloe Juice** | Skin soother and moisturizer that calms and hydrates skin. Acts as a delivery device for other active ingredients.
- **Sodium Ascorbyl Phosphate** | Antioxidant that protects the skin from external aggressors, protects skin from elements that cause spots, wrinkles and sagging.
- **Hyaluronic Acid** | An ingredient that helps the skin hold on to water, plumps fine lines, smooths wrinkles and helps skin look radiant and youthful-looking. For all skin types.
- **Jjoba Oil** | Has anti-inflammatory properties which help to tame chaffing and chapping, reduce redness caused by drying, ease the effects of eczema and rosacea and keep skin calm and comfortable. The Vitamin E and B-complex vitamins in the Jjoba Oil aid in skin repair and damage control. For all skin types, especially damaged.
- **MSM** | Aids in the healing of scars and blemishes, soothes sunburns and helps treat psoriasis and eczema. Known to be a skin tightener that helps maintain youthful and healthy skin.
- **Vitamin E** | Considered an anti-inflammatory agent in the skin that can reduce UV-induced skin swelling, skin thickness and signs of inflammation. Generates great skin feel. Good for most skin types, especially sensitive, mature and dry.
- **Horsetail Extract** | Strengthens the skin and decreases damaging inflammation.

Suggested Precautions ::

- For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Do not use on broken skin. For adult use only. Keep out of reach of children. If swallowed, get medical help right away. Stop use and ask a doctor if rash or irritation develops and persists. Use sunscreen and avoid long term exposure to sun. Store in a cool dry place, away from excessive heat and cold.
